

### **Marmalade Deli – FREE DELIVERY and revised opening hours**

From Wednesday, March 24<sup>th</sup> Marmalade Deli will be operating a revised service. This will enable us to organize a temporary delivery scheme to assist those who are choosing to self-isolate. We apologize for any inconvenience and hope that you will understand the need for unusual but necessary measures to protect and assist those in need. Please pass this information around to anyone who might find it useful.

**DOORS OPEN:** MONDAY- SATURDAY; 9am - 1pm

**DOORS CLOSED:** MONDAY-SATURDAY; 1pm – 5pm (reserved for delivery related business)

As long as we are permitted to do so, the shop will continue to be open during these times. At present, we are only accepting card payments. NO CASH will be accepted. Also, we are happy to assist when product information is required, but as a courtesy to others, we are operating a '*you-touch-it-you-buy-it*' policy. So, please refrain from handling merchandise - this may be delivered to others who are vulnerable.

#### **Availability**

Wholesalers inform us that there is a secure supply of most products. So, as always, we will do whatever we can to accommodate requests. We will only take payment on items that can be fulfilled.

#### **Terms**

Delivery will be offered free of charge, however, given limited time and resources, we will visit the areas listed below when orders to that area collectively exceed £100. There is no minimum spend on individual orders, but please be patient if delivery to your area is necessarily postponed.

#### **Delivery schedule**

MONDAY/TUESDAY: Lochgilphead/Ardrishaig

WEDNESDAY: Cairnbaan, Bellanoch, Crinan and Crinan Ferry

THURSDAY: Slockavulin, Kilmartin, Ford

FRIDAY: Port Ann, Lochgair, Minard, Furnace, Inverary

If you live outside these areas, please call us to discuss and we will try and accommodate if possible. We are also happy to meet at one of the above locations or deliver advanced orders into your car when you pull up out front of the shop.
